Self-Declaration of Potable Water Supply

1. I, the undersigned, hereby acknowledge that our college campus is equipped with the essential infrastructure for providing potable water to all students, staff, and visitors within our campus. The college is equipped with potable water supply taps strategically installed on all floors, offering easy access and convenience. Our purify water supply system has the capacity to provide up to 1,000 litres per hour, which sufficiently caters to the daily requirements of the college community.
2. Additionally, during special events or times of increased demand, we make arrangements to procure RO water cans from trusted distributors to ensure uninterrupted access to clean drinking water.
3. This affirm our commitment to maintaining high standards of hygiene and safety in our potable water supply to foster a healthy and conducive environment for education.
